Dear Friend of MHA,

During Phase I of MHA's Capital Campaign (2008-2009), we raised and financed \$1.7 Million to purchase a new building - our future home - at 226 S. Jefferson St., in Frederick. **You helped make that happen!**

We are now entering Phase II of the capital campaign, **Making Room for Mental Health**, to raise an additional \$1.7 Million to renovate and move into the new MHA headquarters.

We've invited **Jean Joyce** to be our Capital Campaign Chair. Jean is Vice President of the Hosford/Joyce Group at Morgan Stanley Smith Barney and a long-time supporter of MHA and its programs.

The Board and staff of MHA are deeply grateful for your financial support of this project and look forward to partnering with you again as we enter this new Phase.

This is an exciting time for the Mental Health Association and the 41,000+ people we served in Frederick County last year - **and your partnership is key!**

With Sincere Appreciation,

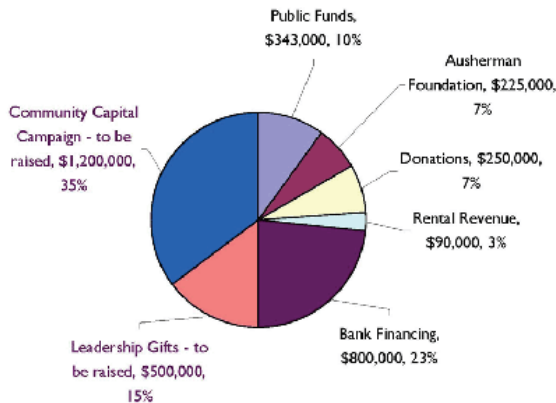

Jan Sullivan Dockter
MHA Director of Development & Marketing
Capital Campaign Director

**MHA's New Video -
"We're ready for our close-up now,
Mr. Demille . . ."**

For the past few weeks, Salyer and Rhonda McLaughlin of ID Makers have been creating a video for MHA that will be used to promote MHA programs and our capital campaign.

As a mental health agency, confidentiality is very important and we are not able to show the actual faces of our many clients. With the help of volunteers, staff and Board members, along with some of their children, we enacted scenarios and gave interviews that visually show what MHA does through its many programs and how it impacts the community.

As a campaign investor, we want you to have a sneak peek!
